

## Sample Letters for Amendment #4 to H5007 Promoting American Manufacturing

**Please copy and paste the letters below and send them to your legislators today – July 11, 2022.**

The letters below are to be sent to legislators representing the city or town where you **live and work**.

**Please note that SFNE members that do not live or work in Massachusetts can also send letters.** This legislation will positively impact your business by adding local jobs, generating needed tax revenue for government services, and creating economic activity for your downstream trade partners throughout New England.

**1. Sample Letter to Representative in the city or town where you live.**

**Email Title: Support for Amendment #4 to H5007 – Promoting American Manufacturing**

Dear Representative (Insert Last Name),

I live in (Insert Your City or Town) and work in the steel fabrication industry. In Massachusetts.

I am writing to ask that you vote in support of Amendment #4 to H5007 – Promoting American Manufacturing, the Massachusetts legislature that would require cities and towns to give preference to U.S. manufacturers when buying steel, iron, and other materials for new buildings and renovations.

We support all efforts that give domestic manufacturers a preference over foreign competition.

I appreciate your consideration.

Sincerely,  
(Your Name)
